

KubeVirt

Sponsor Prospectus | June 25-26 2024

What is KubeVirt Summit?

On June 25 & 26, the KubeVirt community will be hosting its 4th annual KubeVirt Summit, a two-day event to get into all things KubeVirt.

The event has two tracks:

- ◆ User track to share their contributor or deployment journey with KubeVirt and their use case(s) at scale
- ◆ Developer track to share technical implementation and upcoming features/works in progress

Why Sponsor?

This is the largest single gathering of people from the KubeVirt community, of users, contributors, and developers. It is a unique opportunity to get your brand in front of this audience and show your support for the project.

All proceeds go to the costs of running the event and for special speaker swag. A stretch goal if everyone is particularly generous is to support an internship for a student.

Levels of sponsorship

- ◆ **FRIEND OF KUBEVIRT (\$150)**
 - Mentions in the opening and closing sessions
- ◆ **PATRON (\$500)**
 - Logo on the speaker swag
 - Logo on the break slides
 - Logo on the website and related blogs
 - Mentions in the opening and closing sessions

How to sponsor

If you're interested in sponsoring KubeVirt Summit 2024, or have any questions, please reach out **by June 5th** to the **KubeVirt CNCF account**:
kubevirt@cncf.io

Or Andrew Burden, the KubeVirt community facilitator:
